Nandoo Sarswati

The idea of organizing a group art exhibition was always brewing in my mind. I always used to think that what more can be done than what is happening in the field of art. I have been working for some years on how to organize a great art exhibition by bringing good artists from various cities of the country including Mumbai. I kept studying how to combine modern art techniques with the Indian Sanatan tradition.

Today we are happy that the efforts of years are taking a concrete shape. Together with Kala Samvad, we are going to bring it to reality. This group art exhibition organized in the art gallery of The Taj Mahal Hotel, one of the wellknown hotel groups of the country, is the first step in that series.

In this exhibition, artist Mr. Premjit Baria, who has been awarded with one of the highest awards of the country, Padma Shri Award, documentary photographer Sudharak Olve, the country's well-known art college L.S. It is thrilling to hold a group art exhibition with such renowned artists like Jyotsna Vinod Pathare, former principal of Raheja School, Sunil Deore, the famous artist who has created the national emblem on top of the new Parliament building Vista Central. I express my heartfelt gratitude to all
