Organizer's Note

After the encouraging response to our 1st group art exhibition, Kala Samvad is proud to present its Second Edition - taking a step further in our mission to provide a platform to Indian Art and Artists.

Through our Online Web Portal and integrated Social Media presence (YouTube, WhatsApp, Facebook, and more), Kala Samvad continues to empower artists to showcase their art, activities, and exhibitions to a global audience. This platform is driven by Organic SEO, allowing all published information to gradually and naturally appear on the first page of Google, increasing visibility and reach for our artists.

We consistently upgrade the Web Portal with modern technology to ensure seamless access and global connectivity, making Indian art more accessible to collectors, connoisseurs, and art lovers worldwide.

Kala Samvad proudly brings together a vibrant community of renowned masters and emerging talents — showcasing diverse artworks across various formats and price ranges. "Art lovers and collectors can directly connect with artists, explore their work, and even purchase custom art pieces at affordable prices, ideal for both personal spaces and interior design projects.

We invite all artists to become a part of Kala Samvad's Second Edition group art exhibition and give their art a new identity.

.....

The idea of organizing a group art exhibition has always been close to my heart. For years, I have pondered how we can go beyond what is currently being done in the field of art. I have worked with dedication on curating a remarkable exhibition by bringing together talented artists from across the country — including Mumbai — while exploring the synthesis of modern art techniques with the timeless essence of Indian tradition.

It brings me immense joy to see those efforts taking shape, and I am proud to share that Kala Samvad's 2nd Group Art Exhibition is now becoming a reality. After the success of our 1st Group Art Exhibition, this continues our journey — organized once again at the prestigious art gallery of The Taj Mahal Hotel, one of the most iconic hotel groups in the country. It is a significant step forward in our ongoing vision.

To present such a collective artistic endeavor once again is both humbling and thrilling. I extend my heartfelt gratitude to all the participating artists, supporters, and Kala Samvad, for being a vital part of this creative journey.

Let us celebrate art, tradition, and creativity — together.
