4th GROUP ART EXHIBITION

Rajkumar Sharma

Editor & Publisher,
Kala Samvad Mumbai (India)

ORGANIZER'S NOTE:

Kala Samvad is delighted to present its 4th One-Day Group Art Exhibition on 21st August 2026 at the prestigious Taj Art Gallery, within The Taj Mahal Palace, Mumbai. This edition brings together artists from diverse backgrounds and creative practices, offering a vibrant reflection of contemporary artistic expression. Our vision is to create meaningful opportunities for artists to present their work, strengthen their professional identity, and reach new audiences. Through exhibitions, promotion, and artistic networking, Kala Samvad continues its endeavour to build bridges between artists, collectors, patrons, and art enthusiasts. We sincerely acknowledge the participation and trust of every artist who contributes to making this journey of art and dialogue increasingly meaningful.

CURATOR'S NOTE :

Every artwork carries a thought, an emotion, an experience, or a way of seeing the world. The 4th edition of Kala Samvad brings together such individual voices in an open and diverse artistic environment. Presented at the distinguished Taj Art Gallery, the exhibition embraces varied approaches, mediums, subjects, and sensibilities without confining artists to a single theme. This freedom allows each participant to retain an authentic creative identity while becoming part of a larger artistic conversation. The exhibition is therefore not merely a display of artworks, but an opportunity to observe different perspectives coming together—creating connections between imagination, culture, experience, and contemporary life.

CREATIVE CONCEPT DESIGNER'S NOTE :

The creative direction for Kala Samvad's 4th One-Day Group Art Exhibition has been developed around the idea of presenting art with clarity, character, and contemporary elegance. The visual communication across the catalogue, social media, publicity, and promotional material is designed as one cohesive identity while allowing the individuality of each participating artist to remain prominent. Inspired by the refined atmosphere and artistic heritage of Taj Art Gallery, the design language balances visual sophistication with simplicity and impact. Every element has been thoughtfully developed to support the exhibition narrative, strengthen artist presentation, and create a memorable communication experience that extends beyond the gallery space.
